Bryan Quotes From Both the Dead and

the Living.

JUSTICE NOT STRENGTH SHOULD REIGN

William J. Bryan, in a signed state ment in the Journal says, after quoting Jefferson in opposition to imper-

"If it is said that we have outgrown the ideas of the fathers, it may be observed that the doctrine laid down Jefferson was reiterated only a years ago by no less a Republica than James G. Blaine. All remember 30—Spanish prisoners at Porthmouth the enthusiasm with which he entered released. Bismarck died at Friedinto the work of bringing the repub lics of North and South America into close and cordial relations. Some, however, may have forgotton these resolutions introduced by him at the conference held in 1890 and approv ed by the Commissioners present

They are as follows: BLAINE'S RESOLUTION. "1. That the principle of conquest, shall not during the continuance of

the treaty of arbitration be recognized as admissible under Americau law. "2. That all cessions of territory made during the continuance of the treaty of arbitration shall be void it made under threats of war in the pre-

sence of an armed force. "3. Any nation from which such cessions shall be exacted may demand that the validity of the cessions made shall be submitted to arbitration.

"4, Any renunciation of the right of arbitration made under the condi-tions named in the second section shall be null and void.'

Mr. Bryan quotes President Mc-

Kinley's message of 1897, in which he "I speak not of forcing annexation for that cannot be thought of. That, by our code of morality, would be

He continues:

"Surely we know not what a day may bring forth it in so short a time crimiual aggression' can be transformed into philanthropy at 5 per cent.

"What beauty, what riches, the sles of the Pacific must possess if they can tempt our people to abandon not only the traditions of a century, but our standard of national morality. What visions of national greatness the Philippines must arouse if the very sight of them can lead our country to vie with the monarchies of the old world in the extension of sovereignity THE MORMON

"Jefferson has been called an expansionists, but our opponents will search in vain for a single instance of

which he advocated the

On the contrary, he expressly dis oss \$1.000,00). Congress passes a bill claimed any desire for land outside of the North American continent. Jefferson is quoted at length against expansion, and Mr. Bryan resumes:

ACQUISITION OF REMOTE TERRITORY.

"The alien may possess greater in telligence and greater streagth, bu lacks the sympathy for and the ider tification with the people. We have only to recall the grievances enumer ated in the declaration of independence to learn how an ocean may dilute justice and how the cry of the oppressed can be sifenced by distance and yet the inhabitants of the colonies liberal, broad minded and generous ate today adopted by a unanimous were the decendants of Englishmanblood of their blood and bone of their preachers of the Presbyterian church,

"And yet the imperialists of today intoxicated by a taste of blood, are rash enough to enter upon the government of the Filippinos, confident of the Nation's ability to compel obedience, even if it can not earn grati-

"They feared them for their strength, admired them for their wisdom and loved them for their justice.

"Jefferson taught the doctrine that governments should win the love o strong?"
